

Vaccination for 6 Months and Up: Social Media Toolkit

Social Media Message: Now that COVID-19 #vaccines are available for everyone 6 months of age and up, even younger family members can be a part of the #VacciNation! Getting children and teens vaccinated against COVID-19 can help keep them from getting really sick if they get COVID-19. Plus, vaccines can help protect our elders, family, and community from #COVID19 while getting our kids back to the fun things in life! To learn more about vaccines for young children, visit cdc.gov/coronavirus. #SkoVaxDen #StopTheSpread #CommunityImmunity

Keep your young children safe from COVID-19 and get them vaccinated today!
