

# Tips for Safe Grocery Shopping During COVID-19

## Before Leaving the Home

- Write a shopping list on paper to avoid touching your phone.
- **Stay home if feeling sick with fever, cough, difficulty breathing, headache, muscle pain, chills, congestion, nausea, diarrhea, or sore throat.**
- Bring your own hand sanitizer, wipes, or cloth with cleaning solution if you have them.
- **Go alone** to the store to reduce risk to others in the home.
- Go when store is less crowded.
- **Contact store about new hours, and if there are special times for seniors or other groups.**

## Before Entering the Store

- **Wear a mask**, and make sure that it **covers both the mouth and nose.**
- **Wipe down shopping cart or basket handles** with disinfectant wipe or cloth with cleaning solution.
- Leave your reusable bags behind. Use plastic or paper bags from the store instead.

## When Inside the Store

- **Do not touch your eyes, nose, or mouth.**
- **Keep a distance of 6 feet from others at all times**, especially in the aisles and at checkout. Stores may also have additional distancing rules.
- **Cough or sneeze into a tissue or the inside of your elbow.**
- Use a debit card instead of cash when at the register.
- Clean your hands with hand sanitizer after paying at the register.

## When Entering Home

- Remove shoes and leave outside.
- **Wash your hands immediately upon returning home.**
- **Wipe down phone, wallet, debit card, and other objects touched** while in store with disinfectant wipes or cleaning solution.
- **Wipe down countertops** with disinfectant wipes or cleaning solution after unpacking food.
- Put empty grocery bags in the trash.
- **Wash hands again after unpacking food.**
- Do not use disinfectant wipes or cleaning solution to clean food. Instead, rinse fruits and vegetables with water before eating.

**Tips in bold**  
are the most important steps for  
staying safe from COVID-19 in public.
